Although the Board expects its professional staff of administrators to handle most matters of public concern, persons will be provided an opportunity to make suggestions and identify concerns about matters affecting the ROP which are not on the ROP agenda. The Board may not have complete information available to answer questions, and may refer specific concerns to the Superintendent for appropriate attention.

Persons desiring to address the Board will be asked to give their name, address, and the subject to be addressed.

The total time devoted to all person presentations shall be at the discretion of the President or Chairperson, but is limited to five (5) minutes per person and twenty (20) minutes per subject.
