TO: Prospective Vocational Nursing Students
FROM: Sandy Mortensen, Director of Student Services
RE: May 2017 Vocational Nursing Program Cancelled

The Colton Redlands Yucaipa ROP (CRY-ROP) has been providing quality Career Technical Educational programs since its inception in 1971. Our mission is to train students to be career ready, technically skilled and academically prepared by providing quality Career Technical Education.

CRY-ROP embraces the public expectation to align fiscal and human resources and manage policies that build a productive learning environment. All CRY-ROP programs align to the needs of industry and local labor markets. As such, the CRY-ROP adult campus will be undergoing a transformational change to deliver new programs and services that align with the Inland Empire vision.

As a result of the transformation, the Vocational Nursing Program scheduled to begin in May 2017 has been cancelled, and is not planned to be rescheduled at this time.

Enclosed is information from the Board of Vocational Nursing and Psychiatric Technicians regarding alternative post-secondary Vocational Nursing Programs offered in the area.

Stay in touch with CRY-ROP through the website, Facebook, and Twitter as we unveil new opportunities at the adult campus.

We look forward to serving you in the future.

*CRY-ROP: Training students to be **career ready, technically skilled and academically prepared** by providing quality Career Technical Education.*
