

Educational Foundation Donation Information

The Colton-Redlands-Yucaipa ROP (CRY-ROP) Educational Foundation is seeking community support to raise funds for deserving students. The CRY-ROP Educational Foundation focus is to recognize and award funding to outstanding students who have demonstrated academic excellence in a CRY-ROP Career Technical Education (CTE) program offered in the Colton Joint Unified, Redlands Unified, and Yucaipa-Calimesa Joint Unified School Districts. Awards would not be possible without the generous and loyal support of local businesses and individuals.

Students are given awards at our annual Evening of Excellence event, held in May, to CRY-ROP students planning to attend college, an occupational training program, or enter the workforce.
